

Nuclear Physics: Theory vs. Experiment

Tuesday 21 November 2023

Afternoon session Chair: Furong Xu - 1A804 (14:30-18:00)

time	[id] title	presenter
14:30	[5] Probing exotic nuclear structure via light-ion induced direct reactions	Jie Chen
15:30	Coffee Break	
15:45	[7] Calculations of reaction observables at drip-lines with the coupled-channel Gamow shell model	Nicolas Michel
16:45	Coffee Break	
17:00	[6] Trineutron system with realistic NN interactions in SS-HORSE-NCSM approach	Igor Mazur
