

# International workshop on nuclear physics related to HIAF

## Tuesday 16 April 2024

**Chair: Isao Tanihata (14:00-15:30)**

time	[id] title	presenter
14:00	[8] Discovery prospects at the storage rings of HIAF	Prof. Yury Litvinov
14:30	[9] Nuclear structure studies with reactions in inverse kinematics	Prof. Muhsin Harakeh
15:00	[10] Precision mass measurements of short-lived nuclides using Bp-defined isochronous mass spectrometry	Prof. Xu Zhou
