

International workshop on nuclear physics related to HIAF

Tuesday 16 April 2024

Chair: Wei Zuo (15:50-18:50)

time	[id] title	presenter
15:50	[11] RI beam experiments with fragment separator and storage ring	Prof. Takayuki Yamaguchi
16:20	[12] Search for the most exotic nuclei by using the HFIRS HIAF in a separator-spectrometer mode	Prof. Ivan Mukha
16:50	[13] Origin of the r- and p-process elements in cosmic evolution and HIAF science	Prof. Taka Kajino
17:20	[14] Research on the energy spectra of Lambda hypernuclei	Prof. Xianrong Zhou
17:50	Dinner
