

International workshop on nuclear physics related to HIAF

Thursday 18 April 2024

Chair: Shouyu Wang (14:00-15:30)

time	[id] title	presenter
14:00	[34] Reaction dynamics of proton drip-line nuclei at energies around the Coulomb barrier	Prof. Lei Yang
14:30	[35] Study on exotic structures of light neutron-rich nuclei via transfer reaction	Prof. Jianlin Lou
15:00	[36] Extending the chart of nuclide by the multinucleon transfer reactions based on HIAF	Prof. Long Zhu
