

International workshop on nuclear physics related to HIAF

Thursday 18 April 2024

Chair: Junchen Pei (15:50-17:50)

time	[id] title	presenter
15:50	[37] An expedition to neutron-rich heavy and superheavy nuclides	Prof. Michiharu Wada
16:20	[38] The AGATA experimental campaign: hidden Symmetries, stellar archeology, climate change and other paraphernalia	Prof. Giacomo de Angelis
16:50	[39] TBD	Prof. Zhiyuan Zhang
17:20	[40] Nonlocal quark model beyond mean field	Prof. Andrey Radzhabov
