

International workshop on nuclear physics related to HIAF

Friday 19 April 2024

Chair: Meng Wang (10:30-12:00)

time	[id] title	presenter
10:30	[44] Experimental studies for the RI beam production of very neutron-rich nuclei for the next-generation	Prof. Deuk Soon AHN
11:00	[45] Angular-Momentum-Projection Theory for Nuclear Weak-Interaction Processes	Prof. Longjun Wang
11:30	[46] Optimazations of triaxial projection techinque	Prof. Changfeng Jiao
