

The 2nd Workshop on Polarized Beam and Target - Physics and Applications (PBT2026)

Thursday 02 April 2026

Session 5 - Hall 1, Conference Center (09:00-10:40)

time	[id] title	presenter
09:00	[15] Physics with Polarization at BESIII	Haibo Li
09:50	[16] Polarized Atomic Physics Program at FAIR	Thomas Stöhlker

Session 5 - Hall 1, Conference Center (11:00-11:50)

time	[id] title	presenter
11:00	[17] Polarized eV Neutron for T-reversal Symmetry Breaking Experiment	Tianhao Wang
