

# The 2nd Workshop on Polarized Beam and Target - Physics and Applications (PBT2026)

## Friday 03 April 2026

### Yang Cheng-zhong Forum - Hall 1, Conference Center (09:30-10:30)

time	[id] title	presenter
09:30	[22] Testing Fundamental Symmetries at Storage Rings	Nikolai N. Nikolaev

### Yang Cheng-zhong Forum - Hall 1, Conference Center (10:50-11:50)

time	[id] title	presenter
10:50	[23] Precision Measurement of the Muon Anomalous Magnetic Moment: Status, Challenges, and Implications	Yannis Semertzidis
