Neutrino Scattering: Theory, Experiment, Phenomenology (vSTEP 2026)

Saturday 21 November 2026

session 2: Hanlin B102 (10:40-11:55)

-Conveners: Yi Liao

time	[id] title	presenter
10:40	[3] GeV neutrino interactions for oscilaltion and new physics searches	Yufeng Li
11:05	[4] Recent Progress in Coherent Elastic Neutrino-Nucleus Scattering Experiments	Litao Yang
11:30	[33] Overview on neutrino event generator	Joshua Isaacson
